

Stakeholder Advisory Committee Sign-Up

In order to create a plan that takes into consideration the concerns of various stakeholder groups within the watershed, the MWMO Board is establishing a Stakeholder Advisory Committee (SAC) to be involved in the planning process. The SAC will meet at key times in the process to help identify issues, help develop policies, and to review key elements of the plan.

Who we are looking for:

Watershed Residents, Neighborhood Associations, Business Associations, Recreational Clubs, MWMO Program Participants

Duration of Involvement: November, 2007 – September, 2009

Upcoming Meeting Dates: **November 28, 2007**
December 12, 2007

Commitment Required: Attendance at 10 meetings
Occasional review of plan-related documents

Committee Size: 12 members

Note – Space on the committee is limited to 12. If more than 12 people sign up, members will be selected on the basis of a demonstrated knowledge of neighborhood issues and history. Members will also be selected in order to achieve good geographic distribution of members throughout the watershed. You will be notified of your membership on the committee by November 21, 2007.

If you are interested in participating in the SAC, please provide us with the following information:
