Date of Action: 10 March 2020

Background (Attach Supporting Documents as needed)

Planning - D Kalmon

10 year plan, Upper Harbor Terminal and Towerside UV Treatment & Shelter updates

CIP - D Snyder

CIP – The City of St. Anthony Village has requested cancellation of their grant for the St. Anthony Lane Industrial Area that was approved by the Board in January 2019 for up to $250,000. The project went out for bid several times and bids were too high to justify construction of the project. The City hopes to come to the MWMO to partner on another project in the area in the future.
