CURIOS ABOUT SOLAR ENERGY? Thinking about going solar at home or at your business, but not sure what it would take? Come to our solar party and to learn more about how solar works and how the MWMO's system has changed the way we operate!

- Learn how the MWMO saves energy and money with its solar photovoltaic system
- Discover the connection between clean water and energy
- Find out what you need to install solar panels at your home or business
- Get answers from the people that helped make solar possible at MWMO
- Hear about programs such as the Made in Minnesota Solar Incentive Program

Featuring representatives from All Energy Solar and Silicon Energy. Light snacks and refreshments will be provided.
